# Light Sniper Adjustable Square Halogen, CMH

Ceiling Recessed Trimmed Adjustable Downlight

## Description

High performance recessed luminaires available for halogen, metal halide, or integral LED. With a 1.75" aperture and a true 40 degree aiming angle, the Light Sniper offers high comfort due to the back visual position of the light source. Toolless aiming holds its focus indefinitely. Fixed, adjustable and wallwash versions available.

## Lamps

- Halogen: 50W, MR16, GX5.3
- Metal Halide: 20 or 39W, MR16 MH, GX10

## Construction

- Fixture made of two injected aluminum bodies.
- Round trim made of steel sheet 1/16" thick with white matte finish
- It incorporates inner trim ring in three different finishes: black, matte gold and chrome
- Inner ring can be removed for easy access to the adjustable components.
- The metal halide reflectors have a pure aluminum specular finish.

## Notes

- Maximum tilt angle 40°
- Maximum rotation 365° rotation
- Fixture's wattage minimum for LED replacement lamp is 20W
- Listings: UL Listed, IP23 dry location only

## Electrical

- Halogen fixture includes electronic low voltage transformer
- Metal Halide fixture includes electronic non-dimmable ballast

## Housing

- Non-IC rated housing for new construction, 20 ga. Sheetmetal supplied within (2) mounting bars and removable mounting brackets
