Light Bell

Ceiling Pendant Fixed Downlight

Description

The Light Bell is a suspended general lighting luminaire for indoor mounting. Upgraded industrial chic lights – think high bay, then think again because the Light Bell is no warehouse fixture. Proportion, exquisite finish and clear purpose ring true in this stylish spin on the utilitarian classic. Light Bell diffuser options offer elegance where low energy, high performance light is required. The shape of the reflector and opalescent diffuser were carefully prescribed to control the high output LED light engine. LED cooling is managed through the innovative pin and fin heat sink which discretely contains the integral driver.

Lamps

- LED: Bridgelux
37W, 2825lm, 2700K, CRI 90
46.8W, 3220lm, 2700K, CRI 90
37W, 5440lm, 3000K, CRI 90
50W, 6687lm, 3000K, CRI 90

Construction

- Fixture contains a high efficacy technical thermoplastic diffuser
- Reflector is made from spun aluminium or transparent glass, model dependent
- Aluminum heat sink

Notes

- Reflector ships separately from luminaire, must be slid over luminaire prior to being hung
- Fixture reflector sits on lamp module
- Listings: UL Listed, IP20 dry rated or IP54 damp rated, canopy model dependent

Electrical

- Integral line voltage power supply
- Canopy to cover j-box is provided separately
- Two canopy options available: IP20 and IP54
- Available 0–10V dimming and non dimming versions.
