Light Sniper Fixed Round Halogen, CMH

Ceiling Recessed Trimmed Fixed Downlight

Description

High performance recessed luminaires available for halogen, metal halide, or integral LED. With a 1.75" aperture and a true 40 degree aiming angle, the Light Sniper offers high comfort due to the back visual position of the light source. Toolless aiming holds its focus indefinitely. Fixed, adjustable and wallwash versions available.

Lamps

- Halogen: 50W, MR16, GX5.3
- Metal Halide: 20 or 39W, MR16 MH, GX10

Construction

- Fixture made of two injected aluminum bodies.
- Round trim made of steel sheet 1/16" thick with white matte finish
- It incorporates inner ring in three different finishes: black, matte gold and chrome
- The metal halide reflectors have a pure aluminum specular finish.

Notes

- Listings: UL Listed, IP23 dry location for halogen MR16. IP44 damp location available for metal halide version

Electrical

- Halogen fixture includes electronic low voltage transformer
- Metal Halide fixture includes electronic non-dimmable ballast

Housing

- Non-IC rated housing for new construction, 20 ga. Sheetmetal supplied within (2) mounting bars and removable mounting brackets
