

## Light Sniper Adjustable Round Halogen, CMH

Ceiling Recessed Trimmed Adjustable Downlight

### Description

High performance recessed luminaires available for halogen, metal halide, or integral LED. With a 1.75" aperture and a true 40 degree aiming angle, the Light Sniper offers high comfort due to the back visual position of the light source. Toolless aiming holds its focus indefinitely. Fixed, adjustable and wallwash versions available.

### Lamps

Halogen: 50W, MR16, GX5.3

Metal Halide: 20 or 39W, MR16 MH, GX10

### Electrical

Halogen fixture includes electronic low voltage transformer

Metal Halide fixture includes electronic non-dimmable ballast

### Construction

Fixture made of two injected aluminum bodies

Round trim made of steel sheet 1/16" thick with white matte finish

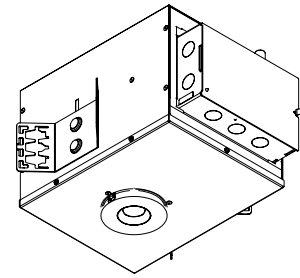

It incorporates inner trim ring in three different finishes: black, matte gold and chrome

Inner ring can be removed for easy access to the adjustable components

The metal halide reflectors have a pure aluminum specular finish

### Housing

Non-IC rated housing for new construction, 20 ga. Sheetmetal supplied within (2) mounting bars and removable mounting brackets

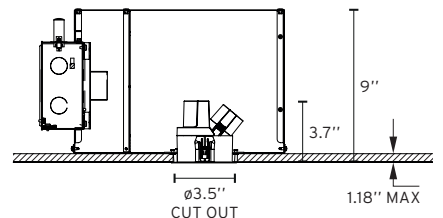

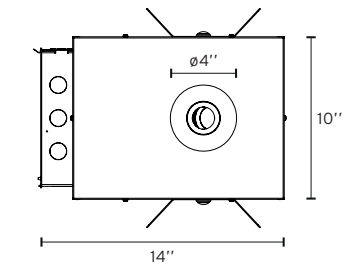

### Photometrics

For current IES files please visit [usa.flos.com](http://usa.flos.com)

### Warranty

2 years from date of sale

### Notes

Maximum tilt angle 40°

Maximum rotation 365° rotation

Fixture's wattage minimum for LED replacement lamp is 20W

Listings: UL Listed, IP23 dry location only

### Finish

- White
- White
- White
