Light Bell
Ceiling Pendant Fixed Downlight

Description
The Light Bell is a suspended general lighting luminaire for indoor mounting. Upgraded industrial chic lights - think high bay, then think again because the Light Bell is no warehouse fixture. Proportion, exquisite finish and clear purpose ring true in this stylish spin on the utilitarian classic.

Light Bell diffuser options offer elegance where low energy, high performance light is required. The shape of the reflector and opalescent diffuser were carefully prescribed to control the high output LED light engine. LED cooling is managed through the innovative pin and fin heat sink which discretely contains the integral driver.

Lamps
LED: Bridgelux
- 38.2W, 5244lm, 2700K, CRI 90
- 49.5W, 6445lm, 2700K, CRI 90
- 38.2W, 5440lm, 3000K, CRI 90
- 49.5W, 6687lm, 3000K, CRI 90

Delivered lumens from 1248lm up to 3415lm

Construction
Fixture contains a high efficacy technical thermoplastic diffuser.

Reflector is made from spun aluminium transparent glass or concrete model dependent.

Aluminium heat sink.

Notes
Reflector ships separately from luminaire, must be slid over luminaire prior to being hung.

Fixture reflector sits on lamp module.

Listings: UL Listed, IP20 dry rated or IP54 damp rated, canopy model dependent.
