

## UT Spot Wall-Washer D86 Track

Track Mounted Directional Accent

### Description

The UT Spot is a family of high output indoor track lights suitable for any application, from museum exhibitions to commercial premises and offices or residential environments. Available up to 3770 lumens each, the UT Spot is line voltage and houses its driver in a discreet small box that integrates with the track, giving it a sleek modern look.

A luminaire for indoor use to be mounted on three phase track, available in LED technology light sources and in dimmable or no dimmable versions.

The optical housing of the luminaire is manufactured in high-pressure injected aluminium, with white or black finishes.

### Lamps
